## Question 6

### Research Security

Please select a Research Security course from the options below:

- Research Security Training (Combined Course) - Required training**  
This is required by funding agencies to be taken by “Covered Individuals” who contribute meaningfully to a project. In addition to the PI, this includes post-docs, fellows, students, and visiting researchers.
- Research Security Advanced Refresher**  
This is an optional training.
- None at this time.
